

IMEARTH

THE 100% IMMERSIVE MEDIA

PRESENTATION

Text and baseline

Text 100-150 words:

"Imearth is the visual and sound immersion channel, a window on life, allowing to project oneself in an authentic way in the heart of the world which surrounds us."

Text ~500 words:

"Imearth is the visual and sound immersion channel, an open window on life, allowing us to project ourselves authentically into the heart of the world around us. With its themes Nature, Travel, Culture & Heritage, Discovery, Sports & Leisure, Imearth offers a unique immersion: just images, sounds, atmospheres. A refreshing moment, moments of relaxation and discovery where viewers can live new experiences and can rediscover the world in a simple way."

"Imearth, an authentic world
comes to you."
